TREASURE HUNT

Guidelines:

KIET Group of Institutions is pleased to invite students to compete in Treasure Hunt.

Treasure hunt, the idea of hunting for hidden treasures has always been exciting and adventurous. In treasure hunt, participants work in small teams to find the treasure with the help of given clues. The team who decodes the clue and finds the treasure first will win the game. The game of treasure hunt comes from the concept of scavenger hunting where participants have to find number of items from the list provided to them. Treasure hunt differentiates itself from scavenger hunting by providing given clues to find the treasure.

Objective:

- 1. To Encourage Team Building: Foster collaboration and communication among participants.
- 2. **To Enhance Problem-Solving Skills:** Provide opportunities for critical thinking and creativity through puzzle-solving.
- 3. **To Provide Fun and Entertainment:** Create an enjoyable and engaging break from routine activities.
- 4. **To Stimulate Creativity:** Provide challenges that stimulate creative thinking in both design and problem-solving.
- 5. **To Build Excitement and Engagement:** Create a thrilling and anticipatory atmosphere for participants.

Registrations:

- All applicants must register as an individual
- Registration is only possible through the online registration form
- Each applicant must enter the required information on the registration form. No late submission
 will be accepted and any incomplete, false, erroneous, fraudulent, forged, tampered forms will
 not be considered.

Concept of the Event:

- The participants will register individually through google form and the teams will be created by the organizers.
- The participants will have to participate in teams wherein each team can have minimum of 3 and maximum 4 members.
- Each team will get a clue related to using riddles, poems, or puzzles to reveal the next location.
- The clues will be same for all the groups.

Process of Selection:

- There will be total of 3 rounds (Tentative)
- Around 1/4th of the total number of teams participating in the first round, who are able to
 decode the clue first and find the correct answer will be the winners of the 1st round and will go
 to the second round.
- Around 1/2 of the total number of teams competing in the second round, who are able to decode the clue first and find the correct answer will be the winners of the 2nd round and will go to the 3rd round.
- The 3rd round will be the final round and will decide the winning team.
- The difficulty level of the clues will increase with each round.
- There will be one winning team and one runner up

Judgment criteria:

The judgment will be done on the basis of the time taken by the teams to hunt the treasure in all the three rounds.

- Prizes:
- Cash prize of 5000 for the winner.
- 3000 for the runner up
- 1500 for the runner up.
